

Guidelines for preparation of manuscript

About the Journal:

The "Pathology & Laboratory Medicine" is a biannually published double blind peer reviewed journal with full text available online & allowing free access (Open Access) to its contents. It is an official publication of Indian Association of Pathologists & Microbiologists, Gujarat Chapter (GAPM).

Scope of the Journal:

The journal intends to cover topics related to Pathology, medical microbiology, medical biochemistry, immunohaematology & all other related fields of medicine. The journal is intended to cater the academic needs of teaching faculties, practicing pathologists & microbiologists as well as post graduate medical students.

Authorship Criteria:

Authorship credit should be based only on contributions any of the three components mentioned below:

1. Concept and design of study or acquisition of data or analysis and interpretation of data;
2. Drafting the article or revising it critically for important intellectual content; and
3. Final approval of the version to be published.

Each contributor should have participated sufficiently in the work to take public responsibility for appropriate portions of the content of the manuscript. The order of contributors should be based on the extent of contribution towards the study and writing the manuscript.

Submission of Manuscripts:

All manuscripts must be submitted to editor.gapmjournal@gmail.com . The manuscript must be submitted with Author's contribution form signed by all the authors. The submitted manuscripts not meeting with the Instructions to Authors would be returned to the authors for technical correction, before they undergo editorial/ peer-review. The manuscript should be submitted in the form of separate files as mentioned below:

[1] Title Page/First Page File/covering letter:

This file must be in MS word format and provide the type of manuscript (original article, case report, short communication, review article, etc.), title of the manuscript, running title (4 to 5 words), names of all authors/ contributors (with their highest medical degrees, designation and affiliations) and name(s) of department(s) and / or institution(s) to which the work should be credited. All information which can reveal your identity should only be here.

[2] Article file (Blind)

The manuscript must not contain any mention of the authors' identity in any form. The main text of the article, beginning from Abstract till References (including tables) should be in this file. **Do not incorporate images in the file.** The file must be provided in MS word format.

[3] Images Preparation of Manuscripts: Submit good quality color images in jpeg files (up to 1800 x 1200 pixels or 5-6 inches). Legends for the figures/images should be included at the end of the article file. Number of images and tables are restricted up to 4 in each manuscript.

Preparation of manuscripts:

Manuscripts in MS word format shall be in accordance with "Uniform requirements for Manuscripts submitted to Biomedical Journals" developed by the International Committee of Medical Journal Editors available at <http://www.icmje.org/recommendations/browse/manuscript-preparation/>

Types & size of Manuscripts:

1. Original article: The text of original articles amounting to up to 3000 words (excluding Abstract, references and Tables) should be divided into sections with the headings Abstract (structured - max. 200 words), Key-words, Introduction, Material and Methods, Results, Discussion, References (max. up to 25), Tables and Figure legends.
2. Case report: It should have max. limit up to 1500 words (excluding Abstract and references) and should have the following headings: Abstract (unstructured - max. 200 words), Keywords, Introduction, Case report, Discussion, Reference (max. up to 10), Table and figure legends.
3. Review article: It should have abstract (max. 200 words), introduction / historical background, discussion, conclusion, References, Tables and Figure legends.
4. Short communication: The length of it should not exceed 1000 words and with max. up to 10 references.
